TOURNAMENT RULES

1. Eligibility - This sweeper is open to all male and female bowlers provided he/she has not bowled in five national PBA or PWBA Tournament during the past 12 months. Entrants who have not reached the age of 18 at the time of bowling must submit a parental consent form with their entry.
2. Handicap will be figured on an individual basis of 90% of the difference between a bowler's official average and 220. Entrants must use their highest USBC OR Collegiate Division sanctioned average of at least 21 games for the past two (2) bowling seasons or current season's average of 21 games or more at the time of entry. All others will bowl scratch. Maximum pins per game will be 63 pins (150 minimum average).
3. It shall be each bowler's responsibility to verify the accuracy of his/her average. Failure to use the proper average or make a correction prior to the completion of the 1st game shall disqualify the score if submitted average is lower than actual average, or base prize winning on submitted average if it is higher.
4. All participants must be familiar with USBC rule #319E and re-rating requirements. This rule will apply to **ALL** entrants. All averages must be certified by your city association secretary. Average book or yearbook considered official for final averages. It is the bowler's responsibility to furnish tournament average verification.
5. All ties shall be broken by a 9th and 10th frame roll-off. The team who started the match will roll a 9th frame on the right lane. The opponent will then bowl two consecutive frames (left lane then right) and complete the 9th and 10th frames. The first bowler will then bowl the 10th frame on the left lane. If a tie exists after this sequence, similar tie-breakers will take place until a winner has been determined. (20% of 1 game Hcp will be added to scratch score.)
6. Payoff will be made immediately upon verification of average.
7. Paid in full reservations will be accepted one week in advance only.
